

## **ATPL Ground School**

Our training philosophy firstly aims, to enable the Aspire Pilots to build a sound level of knowledge which will remain with them throughout their Pilot careers, and secondly to achieve excellent exam results.

The Modular / Long Distance ATPL course offers a great flexibility to study towards your frozen ATPL. This course must be completed before commencing your CPL MEIR (Commercial Pilot License with Multi-Engine Instrument Rating). We are proud to say that our Training Team has a vast experience in aviation industry and is one of the most experienced Team in Europe.
